**Prakash KHAITAN, B.S.** Director of Asbestos Division, Industrial Engineer

## ACADEMIC BACKGROUND

Bachelor of Science, Industrial Engineering, Rutgers University, 1988

## PROFESSIONAL EXPERIENCE

1994 to present - Director, Asbestos Division

S&S Environmental Sciences, Inc.

1989 to 1994 - Project Manager

S&S Environmental Sciences, Inc.

1988 to 1989 - Technical Specifications Engineer

Environmental Concepts and Testing, Inc.

1988 - Asbestos Safety Inspector

New Jersey Department of Community Affairs

## REPRESENTATIVE PROJECT EXPERIENCE

Mr. Khaitan has over seventeen years of multi discipline experience in Environmental Science. Mr. Khaitan has investigated, compiled, developed, coordinated and managed a broad variety of asbestos, lead and indoor air quality projects for a client base that includes major corporations, hospitals, schools, colleges, state and municipal agencies, and owners. Mr. Khaitan has been in responsible charge of large abatement projects and conducted site safety inspections.

## NOTABLE PROJECTS INCLUDE:

Asbestos Survey, Preparation of Specifications, Bidding documents and Monitoring for the Verona School District, Edison School District, Westfield School District, Princeton School District, Ramapo College, Rutgers University, Seton Hall University, Edison Housing, Newark Housing, St. Benedicts Schools, various YMCA's and Daycares, Mack Construction, Merck, Ciba Geigy, JFK Medical Center, Blanchard Securities, etc. throughout New Jersey.

Mr. Khaitan has conducted numerous indoor air-quality investigations. Indoor air-quality parameters were analyzed and recommendations were developed for remedial activities.

Mr. Khaitan has coordinated with client, lawyers, architects, engineers and general contractors to solve lead related problems and assured overall quality control.

Mr. Khaitan has consulted in Community and Worker Right-to-Know Compliance. Supervision of hazardous substance surveys, labeling of containers, and preparation of reports.
